

"The Luxury of Gold..."

SPARKLING WINE

WITH GOLD DUST 24K COMESTIBLE

- Sight: of a shiny pale yellow colour with youthful waxy hints, new gold glitters with greenish traces and a medium and constant shiny bubbles.
- Smell: with an intense fragrance, at first sight primary scents of fruit character with green apple memory and lime skin on a well defined lactic background of fresh yeast, all of them with a long duration.
- Mouth: with a wide entry, it has a creamy passing with a well integrated bubbles and live acidity. the postnasal reminds you of the same fruity aromas with jasmine floral shades appearing fresh posttaste invites to continue drinking.
- Service Temperature: Between 5 - 7° c
